**ERROR**

A problem occurred while processing the request. Please check [our bug tracker](#) to see if a similar problem has a comment on it to let us gauge the impact of the problem. If you think this is a new issue, please file a new issue in Jenkins and relevant plugins. [The users list](#) might be also useful in understanding what has happened.

**Stack trace**

```
java.lang.NoSuchMethodError: org.apache.http.impl.client.cache.CacheConfig.setNeverCache
